

# What does my puppy eat?!

We've tried many different brands of dog food in search of a healthy and tasty option our dogs would both enjoy eating and benefit from! We've found that Life's Abundance is an excellent food that has so many great benefits for our dogs!

## Benefits of Life's Abundance include:

- Holistic formula (no strange ingredients or unhealthy preservatives)
- Fresh Home Delivery (shipped directly to your door... your pet's food doesn't sit in a warehouse for months on its way to you)
- No recalls in company history
- Contains 3 different sources of protein, antioxidants including vitamins A, C, and E.
- No corn, No wheats, No glutens

## Your Puppy Eats:

## Life's Abundance All Life Stages Dog Food

Your puppy eats approximately 2 cups per day; we choose to feed twice daily once in the morning before work (1 cup) and once in the evening around dinner time (1 cup)

\*\*\*This an all life stage food meaning your puppy will not need to change food as he/she grows into adulthood. As your puppy grows, use the weight chart on the

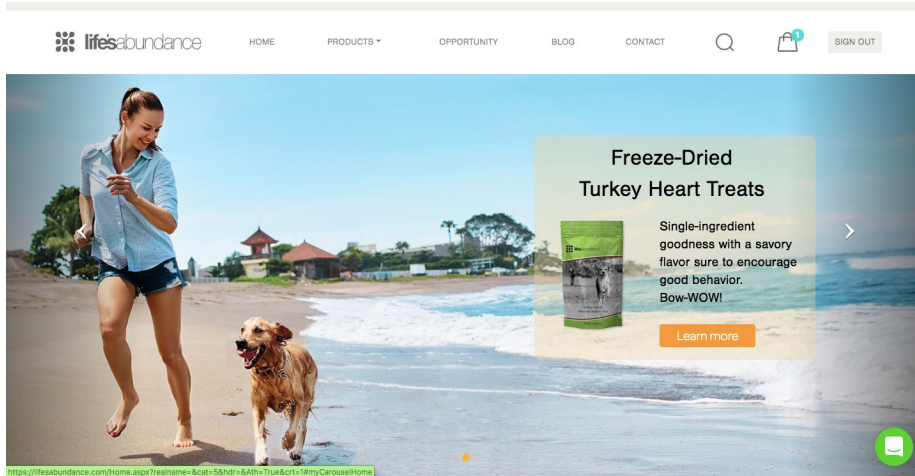

bag to increase the daily serving!

# Setting up Autoship:

Life's Abundance has an excellent autoship program that allows you to set up an autoship order. Set the order up once and the food will arrive on your doorstep as scheduled! The order can be changed or cancelled at any time. Just follow these simple directions to set up the autoship program:

1. Visit [www.lifesabundance.com/bordersofebyeden](http://www.lifesabundance.com/bordersofebyeden)

2. On the banner across the top of the page click on Products → Dogs → Dog Food

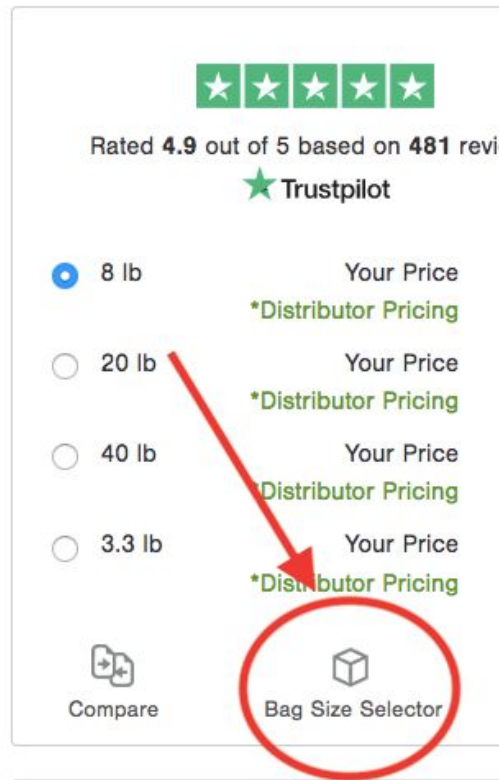

3. Select “All Life Stages Dog Food”

4. Once you select the food you will be taken to another page; from there you can select the “bag size calculator”. Put in your puppy’s information and you will be given the breakdown of how long each sized bag will last as well as the recommended size and frequency. Let us know if you have questions about this step!

5. Based on the quantity recommended by the Bag Size Calculator. Select the size of bag you wish to autoship. Be sure to select the option that says “Save money on Autoship” then click “Add to Cart”

- Once you've finished shopping you can go to your cart to select the frequency of your autoship. The Bag Size Calculator in the previous steps gives you the size and frequency of the bag to plug into this step.
